

## Web Check-In

With the increased security at airports today, anything that can save time would be a big help. The airlines listed below will allow you to check-in and print your boarding pass before going to the airport. Simply click on the name of the airline to be taken to that airline's appropriate site. Please read the instructions/restrictions on their sites carefully, the instructions below are a guide; airline policies change and this information should be verified on the airlines website.

Click on the name of the airline to be taken to that airlines appropriate site.
